Publons Peer Review Awards 2018

Publons, in accordance with the recommendation of the Managing Director, hereby recognize

For placing in the top 1% of reviewers in

on Publons' global reviewer database, determined by the number of peer review reports performed during the 2017 - 2018 Award year.

Publons Peer Review Awards honor the elite contributors to scholarly peer review and editorial pursuits internationally. Recipients have demonstrated an outstanding commitment to protecting the integrity and accuracy of published research in their field.
